

20th April 2020

Dear Parents and Carers, Children and Families,

I hope this letter finds you well and you enjoyed the Easter break along with the sunshine we have had. This week, I have included a quotation sent to me by a very lovely friend. When I received it, it made me smile.

Having heard last week that the lockdown measures currently in place are set to continue, the quotation on the left hand side reminded me about the importance of hope and how crucial it is to hold on to it at these times.

The word hope means 'to dream or wish for' something to happen, to breathe life into a plan.

We have hope - hope is not cancelled. I am dreaming, hoping for the day we can open the doors of Wren's Nest again to all children and welcome you back to school, where our love, teaching and learning can continue to grow and flourish.

I look forward to this day, with great anticipation.

Mrs Parkes' ideas for the week:

- ☺ Dance like no one is watching to music you enjoy!
 - ☺ Read a story or listen to one read by the teachers on the school website.
 - ☺ Tell someone in your house or via telephone/text that you love them and can't wait to see them soon.
 - ☺ Draw, paint or make a 'rainbow of hope.'
- SHINE IT BRIGHT for all to see.

As always, it remains very important that we continue to support our families during this very uncertain time. Our school mobile phone is continuing to be held by either myself or another member of the Senior Leadership Team and is a way of contacting us, should you need to, so we can provide you with appropriate help and assistance.

The mobile number is: 07858 986604

Take care of yourselves, we are here if you need us.

I remain hopeful we will see you and your families very soon and that we can all move on to a new and better way of life - creating 'new normal' for us all.

Love, Mrs Parkes x
