<p>Increased participation in competitions throughout the year – competitive, inspiring and engaging.</p> <p>Estimated Cost: £2,000</p>	<p>Children to take part in at least 12 Level 1 games in school (this target was achieved in 21/22).</p> <p>Children to take part in at least seven level 2 competitions.</p> <p>The profile of competitive sport will continue to be raised across the school through celebration in assembly / children sharing success.</p> <p>Results given to parents via Wren's Nest News, web site, twitter, video newsletters.</p>	SP SA	<p>By July 2023 a larger amount of children to have taken part in at least seven competitions (equal to the seven from 2021-2022). These competitions to come under the headlines of competitive, inspiring and engage – accessible to all children.</p> <p>Presentation to curriculum and standards.</p> <p>Sport results and achievements promoted to parents and the local community every fortnight.</p>	Sept 2022	Whole year
<p>To give every child the opportunity to 'learn and lead' through the PE curriculum.</p>	<p>Children given opportunities to show their sporting talent and understanding. Children more willing to learn from their peers.</p>	SA All teachers	<p>Children enthused by the prospect of showing their understanding and supporting other children. Improve the overall progress of lessons.</p>	Sep 2022	July 2023

<p>To provide talented young sports people with specific support to help them balance their sporting commitments with school and home life.</p> <p>Offer talented young sports people support to help them develop their potential.</p> <p>Help the transition from Primary clubs to Secondary School clubs.</p>	<p>Help children to balance school, home and sports with support from school (homework club, LM, SA)</p> <p>Specific gifted and talented clubs set up to nurture the children's talents.</p> <p>Secondary school to be informed about the children in all areas, including sport.</p>	SA SP	<p>Children manage to balance school, home and sporting commitments.</p> <p>G+T children able to fulfil their potential and develop their skills.</p> <p>Secondary Schools will have information about the sporting young children at Wren's Nest and their abilities. This will help with transition.</p>	Sep 2022	July 2023
<p>To subsidise swimming costs and provide children with 'catch up' swimming lessons.</p> <p>Children take part in swimming safety lessons.</p>	<p>Year 3 children to participate in swimming lessons that would have been missed due to Covid in Autumn term. Year 2 children to participate in swimming lessons in Spring and Summer term.</p>	SA Year 3/2 staff	<p>Higher percentage of children are more confident to swim competently over a distance of 25 metres, use a range of strokes and perform self-rescue in water based situations.</p>	Sep 2022	July 2023
To Improve pupils' lifestyles and physical wellbeing					
<p>Develop links with local primary schools, secondary schools and clubs.</p>	<p>Children will meet children from different schools and take part in inter-school competitions. Children have sporting experiences that we do not offer at Wren's Nest.</p>	SA	<p>A review of registers and participation numbers show an increase from the baseline.</p>	Sep 2022	July 2023
<p>Each year group will undertake at least one 'Healthy Living' enrichment day.</p> <p>Estimated Cost: £3,000</p> <p>Each year group will undertake at least one 'Active' visit during the year.</p>	<p>Children will have a greater understanding of how to have a healthier lifestyle.</p> <p>Children will have experienced an increased range of sporting activities.</p>	SA Phase teachers	<p>Presentation to the Curriculum & Standards Committee in July 2023 will show participation by all year groups, pupil feedback and photos of a range of new activities tried.</p>	Sep 2022	July 2023
<p>Identify and target children who are less active and invite a larger number to Change4Life Club.</p> <p>Estimated cost: £500</p>	<p>Targeted children attend club, improve fitness levels and have a greater appreciation of health and well-being.</p>	SA	<p>A review of registers and participation numbers. Children feel more confident taking part in physical activity.</p>	Sept 2022	July 2023
<p>Health education will also be taught through P.S.H.E and Science.</p> <p>SA and MW to review opportunities in long term plans.</p>	<p>Health education to be mapped across the school.</p>	SA MW	<p>Children have a greater understanding of the body and why we must stay healthy.</p> <p>Health education long term planning presented to SLT/ governors.</p>	Sept 2022	July 2023

Developing a leadership role managing sport and well-being to make an impact on the school.

Identify and target children who require support with behaviour ('bootcamp' for both girls and boys) and implement a 'sport for learning programme'. Estimated Cost: £3,589	PE and physical activity contribute to improving behaviour, attendance and overall enthusiasm for school and learning.	SA GD MS	A review of behaviour of the targeted children.	Sept 2022	July 2023
Establish a Sports Organising Crew and provide opportunities for the children to discuss ideas and produce their own action plan for improving sport within the school. One of the SOC to attend pupil parliament meetings.	Meet with nominated children every half term and discuss topics which will highlight their ideas and develop healthy lifestyles within school. Pupil Parliament to discuss sporting, health and well-being issues.	SA MW	Children have their say on sport and healthy lifestyles within school. Sport appreciation raised. Sports Organising Crew/Pupil Parliament to make tangible impact on the school.	Sept 2022	July 2023
Engage children in leading, managing and officiating in sport.	At least 33% of children in KS2 (achieved in 2021-2022) to act as sport leaders and support a range of sporting events within school.	SA	Children have a wider knowledge of what is involved in leading, managing and officiating sports. Events successful and enjoyable for all children.	Sept 2022	July 2023
Develop a whole school approach to rewarding children, building on sports values and improving school ethos and pupils' social and moral development.	Pupils understand the contribution of physical activity and sport to their overall development.	SP	Children rewarded in praise assembly. School values and ethos are complemented by sporting values.	Sept 2022	July 2023
Regular meetings between the HT and SA to ensure the action plan remains on track, the budget is effectively managed and the school is on track to achieve objectives.	Meetings take place each half term. The action plan is reviewed regularly and evidence kept to demonstrate impact against actions planned.	SA SP EP	The Curriculum & Standards Committee receive a termly update on the use of the Sports Premium and impact against the action plan.	Sept 2022	July 2023
Reapply for the Active Schools Award.	Use the data from the last academic year as a base line and develop. Continue to take support from Leah Goode.	SA	School makes progress from baseline data and achieves gold Active schools Award.	Sept 2022	Jan 2023
Continue to strive to meet all criteria for the Gold Sport Award and look towards meeting the Platinum Award criteria.	Continue to develop sport and health within the school and aim to meet the high criteria set for the Platinum Sport Award.	SA	School benefits from Gold Sport Award/Platinum and develops a reputation for high quality sport.	Sept 2022	June 2023
