

What do you enjoy most about your Art and Design Lessons?

I like them. If you use watercolours, you learn new skills by using them.

George - Y4

Maddison - Y3

I like learning about different Artist technique and the Artist.

Zackary - Y6

When you can use your own ideas in the design phase of our artwork.

In Year 2, we used pastels to create a picture of the Great Fire of London.

I like the relaxing aspect of Art lessons. I love the flow of drawing.

Describe your favourite
Art and Design Lesson?

I liked it when we used watercolours
paint a background for our
Stonehenge picture. We blended the
colours on the paper, but not in the
pallet.

George - Y4

Maddison - Y3

I liked it when we created
firework pictures using lots
of different techniques.

Zackary - Y6

I liked it
when we
followed a
design
process, step
by step, to
create a
castle.

I created a
landscape
drawing as I
had the
choice to
design and
create my
own
artwork.

I love being
creative.

How do you think Art and Design lessons could be improved at Wren's Nest Primary School?

I would like even more Art and Design lessons.

George - Y4

Maddison - Y3

I enjoy the design part of the lesson, so I would like to do more of that.

Zackary - Y6

I like them as they are - they don't need to change.

I like it when people can see progress in my artwork.

I would like to have more Art lessons.

This is because I find them relaxing.
