

Coronavirus (COVID-19): Risk Assessment Action Plan – UPDATED 19th April 2021

Wren’s Nest Primary School

Assessment conducted by: Sarah Parkes Elaine Pugh	Job title: Head teacher School Business Manager
Date of Initial assessment: 28 th August 2020	<p>Date of review: 22nd October 2020</p> <p>Date of review: 2nd January 2021</p> <p>Date of review 1st March 2021</p> <p>Date of next review 7th June 2021</p> <p>Date of review: 25th November 2020</p> <p>Date of review: 18th January 2021</p> <p>Date of review 19th April 2021</p>

The sole purpose of this risk assessment is to support schools in preparing for the possibility of providing some face-to-face contact with pupils in all year groups **while reducing the risk of coronavirus transmission**. The risk assessment has been written in collaboration with a number of local authorities.

- For the purpose of this risk assessment, the term ‘coronavirus’ to refer to coronavirus disease 2019 (COVID-19). Schools must ensure that this risk assessment reflects the local setting and context of the school. Staff must be consulted with regard to this risk assessment (this must take into consideration all types of workers including agency workers, casual staff and contractors and any other adult on site as well as your permanent staff).
- This risk assessment is not exhaustive and is issued to schools as a template to assist in the production of a comprehensive document that covers the particular circumstance of the setting – **as such, the risks and risk controls should be deleted/amended/added-to to reflect the school**.
- This should be viewed alongside relevant advice and guidance from the Department of Education and reflect any additional subsequent guidance issued to schools.
- For further reference, <https://www.gov.uk/government/latest?departments%5B%5D=department-for-education>, including the documents below, issued on the 11 May 2020:
 - [Coronavirus \(COVID-19\): guidance for schools and other educational settings](#)
 - [Details on phased wider opening of schools, colleges and nurseries](#)
 - [Coronavirus \(COVID-19\): implementing protective measures in education and childcare settings](#)
 - [Actions for educational and childcare settings to prepare for wider opening from 1 June 2020](#)
 - [What parents and carers need to know about schools and other education settings during the coronavirus outbreak](#)
 - [Opening schools for more children and young people: initial planning framework for schools in England \(updated 12 May\)](#)

LAST UPDATED ITEMS WITHIN THIS RISK ASSESSMENT ARE HIGHLIGHTED IN ORANGE

Key:	
Level of risk prior to control	Identifies the risk before any steps to reduce the risk have been taken
Risk Description:	Outlines the area of concern. This list is not exhaustive, and schools should add/amend/delete where appropriate e.g. risks for pupils with complex needs.
Risk Controls:	The measures that will be taken to minimise the risk. These are generic and should be adapted for the school context.
Impact:	Could be L/M/H or numeric, depending on what is used in the school setting.
Likelihood:	Could be L/M/H or numeric, depending on what is used in the school setting. NB IF IMPACT AND LIKELIHOOD ARE BOTH HIGH, THEN THE ACTIVITY SHOULD BE STOPPED UNTIL ADDITIONAL CONTROL MEASURES ARE PUT IN PLACE.
Responsible person:	The identified staff member(s) responsible for implementing the risk controls.
Completion Date:	The date by which required plans for controls will be in place. To support planning, identify which controls need to be in place before pupils return to the setting. Individual schools can then personalise to their own setting.
Line Manager Check:	Sign off to ensure that the risk has been minimised as far as possible.
