I like them. If you use watercolours, you learn new skills by using them.

I like learning about different Artist technique and the Artist.

When you can use your own ideas in the design phase of our artwork.

In Year 2, we used pastels to create a picture of the Great Fire of London.

I like to colour because in school we have so many different coloured pencils.

Describe your favourite  
Art and Design Lesson?

I liked it when we used watercolours  
paint a background for our  
Stonehenge picture. We blended the  
colours on the paper, but not in the  
pallet.

I liked it when we created  
firework pictures using lots  
of different techniques.

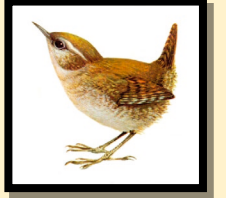

Darcey - Y1

I liked it  
when we  
followed a  
design  
process, step  
by step, to  
create a  
castle.

My favourite  
is using  
paints  
because I like  
to mix them  
and create  
new colours.

How do you think Art and Design lessons could be improved at Wren's Nest Primary School?

I would like even more Art and Design lessons.

George - Y5

Maddison - Y4

I enjoy the design part of the lesson, so I would like to do more of that.

Darcey - Y1

I like them as they are - they don't need to change.

I like it when people can see progress in my artwork.

I like all Art and Design lessons. We listen and then we get a great piece of work, like all our lessons in school.
