

What do you enjoy most about your Maths Lessons?

I like the 'Flashback Fours' because they have lots of questions about that we have learnt before.

Iyanna - Y3

Masie - Y4

I like finding out new facts, it is very educational.

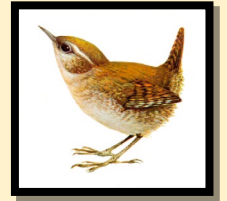

Kelarnie - 1

I like using different methods because they help me to learn and remember

I like it when my teacher lets me be the Maths helper.

Liam - Y5

Describe your favourite  
Maths Lesson?

I liked learning about  
money because it helps me  
know how to buy special  
things with coins.

Iyanna - Y3

Hollie - Y4

I like lessons when we use  
counters because they help  
me to understand the  
problem and count.

Kelarnie - 1

When I am  
'wowed' by  
new,  
mathematical  
methods

I like making  
towers to  
count  
and I like  
counting  
using  
different  
colours of  
things.

Alex - Y6

How do you think Maths lessons could be improved at Wren's Nest Primary School?

I think the lessons are great as they are but I like working in a small group in a quiet space.

Liam - Y5

Masie - Y4

I really lode all my lessons already but I do like when we work with a partner, that's great.

Kelarnie - 1

We could link it to computing, like when we use the Google Chrome Books for TT Rock Stars.

I would like to choose what we learn in Maths and be the taecher.

Aicha - Y6
