

What do you  
enjoy most about  
D&T lessons?

I like cooking yummy  
things. They always  
taste really good. I  
enjoyed making my  
own fruit tree.

**Kelarnie - Y3**

I enjoy DT because I  
like to design, make  
and evaluate my own  
products.

**Everett - Y6**

I liked making a  
moving picture. My  
moving picture was of  
a fish that could swim.

**Sienna - Y1**

I like to be creative in  
the design process. It  
is fun to see the design  
come to life.

**Darcie - Y5**

Describe your  
favourite  
D&T  
lesson

I like using different tools to help me make my products. I like using glue.

My favourite DT lesson involves cooking. I remember making chocolate truffles in Year 5.

**Kelarnie - Y3**

I liked looking at products before I made my own. I picked out parts I liked and included them in my design.

Making individual and unique products is the best part for me.

**Everett - Y6**

**Sienna - Y1**

**Darcie - Y5**

How do you think  
D&T  
lessons could be  
improved?

Nothing.

I like the lessons.

**Kelarnie - Y3**

I would like even  
more DT lessons.

After deciding what  
worked well and what  
didn't, I think I would  
like to make it again.

**Sienna - Y1**

Nothing.

Maybe more cooking  
time.

**Darcie - Y5**

**Everett - Y6**
