

What do you
enjoy most about
GEOGRAPHY lessons?

I enjoyed learning
about the World of
Chocolate.

I have also enjoyed
finding out about
different countries,
the cultures and
beliefs.

Lacey - Y2

I like learning about
how food is
transported from
different countries.

I like finding out about
the world.

Arran - Y6

I love using maps. That
is the best!

Emilia - Y4

Dexter - Y5

Describe your
favourite
GEOGRAPHY
lesson

I like following maps
and looking at the
globes we have in
class, they help me
remember where
things are.

Lacey - Y2

I like using the things
we have learned in
lesson and creating a
class debate. It is
important to hear
both sides of a debate.

Arran - Y6

I enjoying looking at
world maps. The
world is so big.

Emilia - Y4

My favourite
Geography lesson is
when we use maps. I
like to investigate
different countries and
cities of the world.

Dexter - Y5

How do you think
GEOGRAPHY
lessons could be
improved?

We could help the
teachers plan out a
journey before we go
on a trip.

Lacey - Y2

I love Geography, I
really don't think it
could be improved.

Arran - Y6

I love using the iPads
and netbooks to help
us learn, maybe more
of that.

Emilia - Y4

We could plan to go
on a school trip
somewhere and make
a map of how we
could get there and
the journey to follow.

Dexter - Y5
