

What do you
enjoy most about
MATHS lessons?

I like the 'Flashback
Fours' because they
have lots of questions
about that we have
learnt before.

Kelarnie - Y3

I like using different
methods because they
help me to learn and
remember

Iyanna - Y5

I like finding out new
facts, it is very
educational.

Teagan - Y4

I like it when my
teacher lets me be the
Maths helper.

Carter - Y1

Describe your
favourite
MATHS
lesson

I liked learning about money because it helps me know how to buy special things with coins.

Kelarnie - Y3

When I am 'wowed' by new, mathematical methods

Iyanna - Y5

I like lessons when we use counters because they help me to understand the problem and count

Teagan - Y4

I like making towers to count and I like counting using different colours of things.

Carter - Y1

How do you think
MATHS
lessons could be
improved?

I think the lessons are great as they are but I like working in a small group in a quiet space.

Kelarnie - Y3

We could link it to computing, like when we use the Google Chrome Books for TT Rock Stars.

Iyanna - Y5

I really like all my lessons already but I do like when we work with a partner, that's great.

Teagan - Y4

I would like to choose what we learn in Maths and be the teacher.

Carter - Y1
