altogether

MUSIC
lesson

I like lessons when we
have a quiz.
I really enjoy the
challenge

Lottie - Y3

I loved it when we
got to use the
computers to make
music on Chrome
Music Lab.

Rose - Y5

I really liked when we
learned 'Livin' on a
Prayer' for the first
time - we had a blast!
We learn about
different music in
assembly, too.

Veronica - Y6

I like learning to play
new instruments,
especially when you
can play with your
friends. It is fun!

Luke - Y2

How do you think
MUSIC
lessons could be
improved?

It would be great if we
had an even bigger
selection of
instruments because in
school, we get the
chance to play them.

Lottie - Y3

We could play the
different instruments
all of the time in
Music lessons.

Rose - Y5

I love Mr Sharratt, he
makes the lessons fun!

Arayha - Y4

Maybe even more
