

What do you  
enjoy most about  
**SCIENCE** lessons?

The experimenting  
because it's fun and  
nice to do

A lot of things!  
Having a Science Day  
in Science Week, being  
able to do lots of  
experiments

**Sophie - Y3**

I enjoy everything!

I like doing the  
practical activities and  
learning about states  
of matter

**Maddie - Y6**

**Eliza - Y2**

**Lola - Y5**

Describe your  
favourite  
**SCIENCE**  
lesson

I love it when we learn  
about different things,  
especially in Science  
Week

**Sophie - Y3**

When we get to touch  
things and be hands-  
on, like the egg  
experiment.

**Molly - Y5**

My favourite lesson  
was when we made  
sand timers.

**Eliza - Y2**

My favourite lesson  
was when we went on  
a trip to the National  
Space Centre.

**Lola - Y6**

How do you think  
**SCIENCE**  
lessons could be  
improved?

More Science!

I think we need more  
time for science. We  
have short afternoons  
so we don't get to do  
as much.

**Sophie - Y3**

I don't think so, I like  
it how it is already!  
We could do more  
Science!

I like it the way it is!  
We could learn more  
about different  
scientists.

**Lola - Y6**

**Imogen - Y4**

**Molly - Y5**
