

What do you  
enjoy most about  
**SPELLING** lessons?

I like being able to  
work with partners  
because we can help  
each other

**Tyler - Y3**

I like how we learn  
lots of rules so when  
we are writing we feel  
more confident with  
our spelling

**Harmony - Y6**

I enjoy moving up  
units to find out the  
new spelling rules!

**Amelia - Y4**

I like that we learn  
new words so we  
improve our vocabulary  
as well as our spelling  
and we become more  
confident with how to  
spell words

**Bailey - Y5**

Describe your  
favourite  
**SPELLING**  
lesson

I enjoy the dictation  
as I like to practise my  
handwriting and  
sentences too

**Tyler - Y3**

I really enjoy the  
'Team Teaching'  
session and '4 in a  
row' as we can learn  
new words with our  
friends

**Harmony - Y6**

I enjoy 'word  
changers.'  
I really like seeing how  
the root word  
changes.

**Amelia - Y4**

I like the spelling  
assessments most  
because it tells us how  
to use the words in  
sentences and we can  
see how much we have  
improved

**Bailey - Y5**

How do you think  
**SPELLING**  
lessons could be  
improved?

Everything is fine in  
spelling lessons. I  
don't know what  
could possibly change!

**Tyler - Y3**

I think we could take  
some of the spellings  
or rules home to  
practise more

**Harmony - Y6**

I think we could  
improve by doing  
more 'dots and dashes'  
type activities as these  
help me with my  
spelling

**Amelia - Y4**

There is not a lot I can  
think of but perhaps  
children who are  
struggling a bit more  
could have some extra  
practise outside of the  
main lessons

**Bailey - Y5**
