

Our New Postbox!

We have a new postbox in school!

It is the perfect place to drop off any work you have been completing at home to share with your teacher.

If you are out for your daily exercise and happen to be passing school, why not pop onto the drive and post it to us!

Email

If you have completed some work on a computer at home and want to share it with your teacher, we have some special new email addresses for you to send it to!

Have you drawn a fantastic picture?
Conducted a mind-blowing science experiment?
Smashed a workout?

Why not snap a photo and share it with us?!

We now have a WhatsApp account on the school mobile so you can share your photos with us for free!

Just remember to include your name and say which teacher(s) you want to show it to!
