## Year 2 - Curriculum Flyer

Make sure to sign up to ParentHub

### Literacy

We will encourage the children to develop their love of books by reading a variety of stories. They will be reading and writing stories with familiar settings and learning to re-tell some of their favourites. In their Phonics lessons they will continue learning sounds for reading and which letters represent these sounds when spelling. They will be improving their letter formation and learning about nouns, verbs and adjectives.

### Numeracy

Children will be adding, subtracting and multiplying numbers with the use of number lines and begin to learn their times tables. They will learn about the importance of Place Value and use this to order numbers. They will look at patterns of numbers on a Hundred Square and recognise odd and even numbers. Practical equipment will be used to explore numbers and calculations.

### Science:

Sticks, Bricks and other Bits!

- Learn the names of materials

### ICT : computing

- What is technology?
- Can we log onto and use a school laptop safely?

### RE:

- Old Testament stories
- Festivals of light
- Christmas celebrations

Autumn Term  
2021-2022

### Art:

- Colour mixing
- Sculpture
- Observational drawing

### PSHE:

Children follow a structured programme called Dot.Com to help them feel empowered and practice positive values.

### History and Geography:

- Remembrance Day
- Gunpowder Plot
- Panic on Pudding Lane

### Music:

- Songs relating to their topic 'The Great Fire of London', singing in a round and keeping a steady beat.
- Christmas music.

### PE:

- Basic dance movements and skills
- Throwing and catching.

### Homework

Please help your child with reading and completing their homework. Help your child learn, through talking and sharing their experiences!

### Enrichment Opportunities

Christmas Craft Morning - 13th December  
Christmas Party - 15th December
