Shooting Stars - Curriculum Flyer

Make sure to sign up to Parent Hub

Literacy

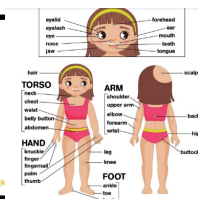

The children will take part in a daily Ruth Miskin Speed Sound Phonics lesson in which they will learn to read and write a range of sounds. They will use the 'Talk For Writing Programme' to help them learn a story through the use of story maps and role play.

Numeracy

Everyday the children will continue to develop their understanding of number by counting and building numbers using practical equipment. They will begin to understand addition and subtraction by using practical equipment to partition numbers in different ways and explore how this relates to addition and subtraction. The children use this knowledge to progress to understanding addition and subtraction fact families.

Science

- * What Makes Me, Me?

ART

- * Exploring with colour.

RE

- * Hinduism—Diwali
- * Christianity—Christmas

Autumn Term
2022-2023

Golden Time

Discuss and celebrate achievements of the week.

PSHE
