Year 4 - Curriculum Flyer

Make sure to sign up to ParentHub

English

As part of the Literacy and Language programme children will read stories with familiar settings exploring themes of decisions and their consequences. English will also include spelling, handwriting, storytelling, role-play and drama.

Mathematics

Children will continue to develop their number work and mental calculations. Work will include counting, partitioning 4-digit numbers and calculating using all four number operations. Children will also use and apply these skills to solve a range of maths problems.

Science

- * Chew It and Poo It!

Computing

- * Designing and changing a programme
