

What do you enjoy most about your Maths Lessons?

I like the 'Flashback Fours' because they have lots of questions about that we have learnt before.

I like finding out new Maths facts and learning new skills.

Kelarnie - YR

I like to learn new things about Maths.

I like fractions.

I like it when my teacher lets me be the Maths helper.

Describe your favourite  
Maths Lesson?

I liked learning about  
money because it helps me  
know how to buy special  
things with coins.

I love Maths challenges.  
They make your brain work  
hard!

Kelarnie - YR

I like it when  
we solve  
addition and  
subtraction  
problems.

They are  
fun!

I like making  
towers to  
count  
and I like  
counting  
using  
different  
colours of  
things.

How do you think Maths lessons could be improved at Wren's Nest Primary School?

Well, I like them just as they are.

We could use more counters I suppose.

I would like longer Maths lessons - I like Maths.

Kelarnie - YR

We could link it to computing, like when we use the Google Chrome Books for TT Rock Stars.

I would like to choose what we learn in Maths and be the teacher.
