

Dear Parents and Carers, Children and Families,

## Hello May!

As a new month begins, I hope you are all staying well and remaining safe in your homes. I know the lockdown measures are beginning to take their toll, however, it is so important we continue to abide by them to help the wonderful work the NHS is doing, as well as keeping our families, friends and community safe.

This week, the teachers have been very busy preparing a special message for you all!

We thoroughly enjoyed making it for you, and we hope you enjoy watching it. **I wonder which of your teachers you will see?**

We are still thinking of you all, missing you greatly and cannot wait to see you - but only when it is safe to do so!

I continue to remain hopeful and in great anticipation of the day we can open the doors of Wren's Nest again to all children and welcome you back to school, where our love, teaching and learning can continue to grow and flourish.

### Mrs Parkes' ideas for the week:

- ☺ Watch the special messages from all of the Staff at Wren's Nest. Who will you spot?
- ☺ On Thursday evening at 8pm (or before bedtime), clap or make some noise (I use a saucepan and spoon!) for all of the NHS staff and key workers that are helping others at this time.
- ☺ Get cooking with Mrs Gallis - will you be the next Junior Master Chef?
- ☺ Stay fit and healthy - exercise everyday - by going for a walk, with your household only, exercise in the garden or in a safe space in your home. Join in with one of our challenges on the website to help you.

## Parent Hub!

Please, if you are not on Parent Hub, download the **FREE App** on your phone today! **Please scan the QI code using your camera device on your phone and it will take you directly to the link for the app.**

It is an excellent way to keep up to date with everything that is happening at Wren's Nest, particularly at this difficult time.

It will suggest ideas for you to do at home as well as keep you updated with key information from school.

I thought I would remind you of some of the activities that we are doing online to support you at home during these unprecedented times. The school website is [www.wrens-nest.dudley.sch.uk](http://www.wrens-nest.dudley.sch.uk)

The activities on our website include:

- **500 Rep Challenge** and other fitness challenges - staying fit and healthy!
- **Listening to stories** grown-ups have read.
- **NEW!! Magic Mathematicians** - lots of activities for you to complete at home
- **Super Scientists**
- **NEW!! Get Cooking** - ideas for you to do at home!
- **Listen to message from your teachers**

We really do hope you take part in and enjoy them!

As always, it remains very important that we continue to support our families during this very uncertain time. Our school mobile phone is continuing to be held either by myself or another member of the Senior Leadership Team and is a way of contacting us, should you need to, so we can provide you with appropriate help and assistance. **The mobile number is: 07858 986604**

Take care of yourselves, **PLEASE remember** we are here if you need us.

I hope to see you all very soon - take care of yourselves.

Love, Mrs Parkes x

## Wren's Nest Primary School

Would like you to join their channel on Parent Hub.  
Just tap "Add a School" in the app and enter the handle below...

@WrensNestSchool

The Parent Hub app is **FREE** to download and use

Scan the QR code download it now

What is Parent Hub?

Parent Hub is a free app that helps keep you up to date with what's going on at school. You'll receive messages, pictures, documents and newsletters all in one handy place.

Instructions for Parents

1. Download the Parent Hub App from your app store (iPhone or Android)
2. Create an account
3. Choose "Add a School" and enter the school handle (above)

Visit [www.parenthub.co.uk](http://www.parenthub.co.uk) to find out more
