Year 2 - Curriculum Flyer

Make sure to sign up to ParentHub

Literacy

As part of their Literacy lessons, children will be reading a range of books; stories, poems and non-fiction texts. They will explore these key texts, and be encouraged to share and discuss their opinions, developing reading for pleasure. They will continue to build on their phonic knowledge for both reading and spelling, and improve their understanding of sentence construction and grammar. Literacy will also include handwriting, storytelling, role play and drama.

Numeracy

Children will continue to consolidate and develop their understanding of place value and practise counting in 2s, 5s, 10s and 3s regularly. They will learn various methods for the four number operations and begin to apply this knowledge to solve a range of maths problems involving addition, subtraction, multiplication and division. They will also begin to explore money and both 2D and 3D shapes.

Science

- * Seeds, Soil and Sunshine

ICT : Computing

- * Logging on and off the devices.
- * Online Safety.

RE

- * Passover
- * Easter

Spring Term
2021-2022
