

# WREN'S NEST PRIMARY SCHOOL

## WHAT ARE WE DOING IN NURSERY THIS WEEK?

- Learning about the rules and routines in Nursery as we continue to get to know each other and continue to get to know our Key Workers!

### **We are being very kind to all of our friends in Nursery!**

- We are continuing to read, 'The Very Hungry Caterpillar' as we further explore the life cycle of a butterfly. We have our very own caterpillars in Nursery and we're going to continue exploring them each day and observe the changes we see.

### **Ask us about our caterpillars in Nursery!**

- Continuing to explore numerals **0-5**. We are finding out lots about these numbers as we count out sets of objects, find these numerals in the environment and practise our counting!

- Continuing to explore number rhymes as we further explore numerals to 5. We are singing, "5 Little Monkeys", "5 Little Speckled Frogs", "5 Little Ducks" and "5 Currant Buns." Help us to sing our number rhymes!

- Mark-making with a range of mark-making tools as we begin to give meaning to our marks and try to copy over the letters in our name. **Ask us and talk to us about what we have drawn!**

- We are continuing to talk about and explore Spring time and explore the changes that occur and new life in the natural world.

### **Nursery's Vocabulary of the Week!**

Egg, caterpillar, cocoon, butterfly, growing, life cycle

Don't forget to fill in a **"WOW!" slip** from the **'Wrenna News Board'** to share your child's achievements at home with us. No matter how big or small, your child's achievements are something to celebrate in Nursery!
