

# WREN'S NEST PRIMARY SCHOOL

## WHAT ARE WE DOING IN NURSERY THIS WEEK?

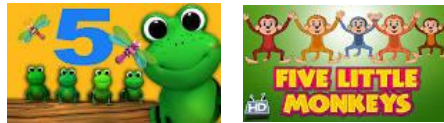

- Continuing to learn about the rules and routines in Nursery as we make new friends and continue to get to know our new Key Workers!

- Developing our listening and attention skills by exploring different stories, songs and playing listening and concentration games with 'Lola the Listening Leopard.'

- Continuing to explore number rhymes to explore numbers as we begin to count to 5, count objects and explore numerals in the environment.

- Mark-making with a range of mark-making tools as we begin to give meaning to our marks.

- Celebrating our second week in Nursery!

- Exploring Winter as we observe and talk about the changes in our natural environment during this season. We are making our own snow using shaving foam and Bicarbonate of Soda! Look out for our snow in Nursery!

Don't forget to fill in a **"WOW!" slip** from the **'Wrenna News Board'** to share your child's achievements at home with us. No matter how big or small, your child's achievements are something to celebrate in Nursery!
