

What do you enjoy most about your P.E. Lessons?

I like using the equipment.  
We have lots.

Riley - Y3

Lorenzo - Y4

We do lots of different exercise like rolls, jumping, running, netball and lots more

Talyse - Y6

I enjoy working with other people.  
I like to help my friends.

I enjoy everything we do in PE lessons.

If we don't get something straight away, the teacher helps us until we do.

Describe your favourite  
P.E. Lesson?

I like outdoor PE. We all wear  
out tracksuits and we all match.

I like running and having fun.  
It makes me sweaty.

Riley - Y3

Lorenzo - Y4

I love ball skill games. Everyone  
gets to join in and we play  
against our friends.  
I like to win!

Talyse - Y6

I enjoyed the  
long jump  
lesson. I like  
to see I am  
getting better.

I knew I was  
as we  
measured our  
jumps and  
mine were  
getting longer.

My favourite  
PE lessons  
involve  
running.

I know it is  
one of the  
best ways to  
help me stay  
fit and  
healthy.

How do you think P.E.  
lessons could be improved  
at  
Wren's Nest Primary School?

They are already good.  
Why would you want to change  
them?

Riley - Y3

Lorenzo - Y4

To learn the rules of more ball  
games.

Talyse - Y6

I like the  
lessons just as  
they are.

We could take  
part in even  
more  
competitions.

Include PE  
in other  
lessons
