

WREN'S NEST
PRIMARY SCHOOL
School Key Policy for 2024-2025

Personal, Social, Health and Citizenship
Education (PSHE) Policy

September 2024

Document to be read in conjunction with ***other key school policies (listed within document)***

Wren's Nest Primary School

Personal, Social, Health and Citizenship Education (PSHE) Policy

*We all have the right to feel safe all the time
Kind hands are good for us all
We can talk to someone about anything
Even if it be awful or small.*

At Wren's Nest Primary School we see Personal, Social, Health and Citizenship Education (PSHE) as being at the centre of all that we do. Through our curriculum, our school environment and our school ethos, we promote pupils' self-esteem and emotional well-being and help them to form and maintain worthwhile and satisfying relationships, based on respect for themselves and for others, at home, at school, at work and in the community.

Aims of the Wren's Nest PSHE Policy (see Appendix A)

The aims of PSHE are to enable the children to develop the skills, knowledge, understanding and attitudes they need to be able to:

- ✓ have respect for themselves and others, valuing the differences and similarities between people;
- ✓ develop good relationships with other members of the school and wider community;
- ✓ be independent, self-disciplined and responsible members of society;
- ✓ be positive and active members of a democratic society;
- ✓ develop self-confidence and self-esteem, and make informed choices regarding personal and social issues;
- ✓ know and understand what constitutes a healthy lifestyle;
- ✓ be aware of safety issues and manage risk in their own lives.
- ✓ learn an awareness of personal safety when the internet, computer games and mobile phones
- ✓ feel able to share any problems/concerns/worries they may have with their chosen member of staff.

PSHE Curriculum organisation

- Every class has a timetabled session of PSHE every week. During this lesson teachers will draw on the advice from Department for Education National Curriculum guidance for PSHE.
- In addition to this, PSHE is also taught within other subject areas as part of cross-curricular links: Science, Geography, RE, English and History, Mini First Aid and Economics.
- PSHE will also be addressed on a daily basis as questions and incidents arise. At times, teachers may choose to hold an additional Circle-time or Big Question session in response to a particular event or issue.
- Whole school and class assemblies provide a daily opportunity to enhance pupils' spiritual, moral, social and cultural development, promoting our school's values and celebrating achievement.

- Teachers will, where appropriate, follow up Whole Assemblies using the content as a platform to develop further learning in PSHE lessons as well as across the curriculum. (Refer to appendix B for coverage)
- The Dot Com Children's Foundation is a programme used from Year 1 to Year 6 to support Children's learning. (Refer to appendix B for coverage)
- We have a complete coverage of the National Curriculum. Using advice from the PSHE Association, we have broken down the PSHE curriculum into three key themes - (i) Living in the Wider World, (ii) Health and Wellbeing and (iii) Relationships. The targets ensure there is complete coverage of each theme. (Refer to appendix D for the coverage across the themes.)

Teaching and learning strategies

A range of teaching and learning strategies are used across the curriculum:-

- During timetabled PSHE time, an emphasis is placed on active learning through planned discussions, circle-time, Big Questions, investigations, role-play activities, puppets, group-work and discussions and problem-solving.
- Teachers are supported in the delivery of PSHE using the Dot Com scheme of work.
- All teachers will endeavour to provide a safe learning environment through the establishment of clear Ground Rules which are made explicit to the children and reinforced consistently. Visiting speakers such as the police, fire service and health workers/Dogs Trust also contribute to the taught curriculum.
- Beyond timetabled PSHE lessons, pupils are supported in applying the skills they are learning, in real-life situations as they arise: e.g. resolving conflicts; working as part of a group on a project.
- Children are encouraged to take part in a range of practical activities to promote active citizenship, e.g. charity fund-raising; the planning of special events at school; agreeing class rules; class council meetings; recycling and reusing; and by taking on roles of responsibility for themselves, for others and for the school. This is supported by our Pupil Parliament Ministers.
- Through lessons and after school clubs children are made aware of how to live a healthy lifestyle and are encouraged to follow a healthy living programme by the NHS Change4life scheme.

How we teach children to keep themselves safe

The Dot Com Children's Foundation programme is a scheme used from Year 1 to Year 6 to help children develop the knowledge and confidence they need to make good decisions in life, especially about their own safety. The programme is a safeguarding tool that highlights any behaviour towards them that is not acceptable and also shows them how they can help to keep themselves safe. The non-statutory framework for Personal, Social and Health Education (PSHE) provides opportunities for children to learn about keeping safe and who to ask for help if their safety is threatened. As part of developing a healthy, safer lifestyle pupils should be taught:-

- ✓ To recognise and manage risks in different situations and then decide how to behave responsibly;
- ✓ To judge what kind of physical contact is acceptable and unacceptable;
- ✓ To recognise when pressure from others (including people they know) threatens their personal safety and well-being and develop effective ways of resisting pressure, including knowing when and where to get help and
- ✓ To use assertiveness techniques to resist unhelpful pressure.
- ✓ To feel empowered to ask for help when necessary.

- ✓ To give pupils the skills to know how to ask for help.
- ✓ Children understand that their feelings are valued and any thoughts they may record in their journals are for their own use.

The Dot Com programme teaches children an awareness of "Uh-Oh" feelings to help children identify unacceptable situations. This is built on each year through out school.

More serious issues, such as domestic violence can be difficult to broach directly in the classroom however, discussions about personal safety and keeping safe can reinforce the message that any kind of violence is unacceptable.

Through a preventative curriculum The Dot Com programme delivers a 'Values Versus Violence' programme (which is delivered specifically to Year 5 and 6) to provide children with an awareness of risk and risk management.

Children need to be taught that it is ok to talk about their own problems and be signposted to sources of help. Raising these issues in class can lead children to bring up their personal problems and teachers delivering these lessons need to be prepared for this possibility.

The Dot Com Programme is also used to support Children with 1 to 1 intervention if necessary. (See Appendix C)

The team of Learning Mentors at Wren's Nest

We have a skilled team of Learning Mentors at Wren's Nest whose role it is to remove barriers to learning for children across the school. Learning Mentors work with children who have been referred to them either on a 1 to 1 basis or in group situations. They can focus on a range of targets such as self-esteem, social skills, aspirations, personal hygiene, anger management and assertiveness. Where children require more specialist intervention such as counselling or intervention as a result of bereavement or domestic abuse we refer onto external agencies eg Educational Psychology, Barnardos and Family Support. Learning Mentor interventions with children are reviewed on a half termly basis with impact measures recorded and reported to staff and parents.

Equal Opportunities

All children have an entitlement to access the PSHE curriculum. All children will have access to appropriate resources within the school. These will reflect a multi-cultural society, without stereotyping or discrimination. All children will be given the opportunity to participate in all activities regardless of gender, race or ability.

Community links

Working in partnership with parents and carers and with the wider school community is an essential element of PSHE. We seek to involve parents and keep them informed through our weekly videos, newsletters and termly Teacher/Parent meetings. Parents are encouraged to come into school whenever they have any concerns or anything they would like to discuss with us - we actively promote our 'Open Door' policy. We foster links with the wider community through various activities such as our relationship with St Francis' Church, The Village Gym, Dudley, Dudley Canal Trust, YMCA, Local PCSOs and Police and the Dudley North Children's Centre.

Protective Characteristics

The Equality Act became law in 2010. It covers everyone in Britain and protects people from discrimination, harassment and victimisation. Everyone in Britain is protected. The Equality Act protects people against discrimination because of the protected characteristics that we all have. Under the Equality Act, there are nine Protected Characteristics:

- Age
- Disability
- Gender reassignment
- Race
- Religion or belief
- Marriage or civil partnership
- Sex
- Sexual orientation
- Pregnancy and maternity

At Wren's Nest we are promoting the Protective Characteristics with an ethos of:

'We work to ensure that our children understand that:

There are no outsiders at Wren's Nest

Everyone is different

We celebrate our differences

'We are all equal in our differences'

With this in mind, we will be using a range of age appropriate books over the course of the year to encourage positive and guided discussion of the protected characteristics. At Wren's Nest Primary School, we strive to create an environment where children can share their opinions and ask questions. (See appendix E for the books we will use.)

Links with Other policies

The PSHE Policy links closely with a range of other policies to provide a coherent package of provision for Children at Wrens Nest:

- Sex and Relationships Policy
- RSE Policy
- Bereavement Policy
- Child Protection Policy
- Anti-bullying Policy
- Parent Partnership Policy
- Behaviour Policy and Principles
- Sun Protection Policy
- Equality Policy
- Online Safety Policy

Monitoring information:

- The policy will be promoted and implemented throughout the school by all staff. The school will review this policy through the Curriculum and Standards committee annually and assess its implementation and effectiveness.

Date: September 2024

Date of review: September 2025

PSHE at Wren's Nest Primary School

At Wren's Nest Primary School, Personal, Social and Health Education, (PSHE) prepares our children for the future ahead of them, it helps them to understand that they are part of a community. PSHE is timetabled weekly, although issues covered in the lessons are discussed with the children throughout the wider curriculum, including whole school and class assemblies. By following the 'Dot Com' programme, children learn how to value themselves and others, making good life choices. This programme helps the children at Wren's Nest learn valuable life skills and develop strategies to deal with 'risky situations.' It is important that our children feel safe and confident so they can fulfil their potential and achieve in line with their peers nationally.

Big Ideas

- ✓ Values
- ✓ Rights and Responsibilities
- ✓ Bullying
- ✓ Teamwork
- ✓ Emotions
- ✓ Decisions
- ✓ Behaviours
- ✓ Feeling
- ✓ Friends
- ✓ Consequences

Content and Sequencing

- ✓ EVFS - Children see themselves as a valuable individual building constructive and respectful relationships. Children begin to understand what is right and wrong and start to realise the consequences of these to behaviours.
- ✓ Years 1 and 2 - Children learn how important they are and why they are special. They learn about their feelings, families and friends. They discuss their 'helping hand network' and their aspirations for the future.
- ✓ Years 3 and 4 - In Lower Key Stage 2 children build on their work from years 1 and 2. In addition, they look at their rights and responsibilities, changes when someone goes away and risks within their homes. They also start to consider the impact of drugs and alcohol, and the community in which they live.
- ✓ Years 5 and 6 - For our oldest children, the Dot Com scheme considers the choices children have and the consequences of making those choices, good or bad. They consider the laws we all need to abide by and the consequences of carrying weapons.
- ✓ All Years - Themes running through every year group consider the children themselves, highlighting how important we all are and the need to respect ourselves.

Cross curricular links

- ✓ Direct links with:
 - o History
 - o Literature
 - o British Values
 - o Religious Education
 - o Geography
 - o Enrichment activities
 - o Learning Mentor Team
 - o External Agencies such as the Police or Fire Service
- ✓ Wren's Nest Schemas of Food, Fashion and Technology.

Retrieval

- ✓ Quizzes
- ✓ Tasks and activities
- ✓ Big Questions
- ✓ Schemas
- ✓ Debates
- ✓ Role Play

Progress

- ✓ Low-stake quizzes
- ✓ Hinge Questions
- ✓ Pre-Topic Mind Maps
- ✓ End of unit challenges
- ✓ Formative assessments
- ✓ Children's books
- ✓ Content mapping of the skills and knowledge of the curriculum
- ✓ Transfer of skills and knowledge

Support

- ✓ Inclusion for all children.
- ✓ Children in provision sets to access strength lessons in year groups
- ✓ Differentiated activities based on skills and knowledge.
- ✓ Groups across school
- ✓ Adult support in the classrooms
- ✓ Learning Mentor Team
- ✓ External Agencies
- ✓ Whole School and Class Assemblies

Appendix A

PSHE: Progression at Wren's Nest

Year group	Reception	Year 1 Dot Com 2.2, 3.1, 3.2	Year 2 Dot Com 3.1 and 3.2	Year 3- Dot Com Helping Hands	Year 4- Dot Com Making the best of Me	Year 5- Dot Com – Values Verses Violence	Year 6- Dot Com – Looking @ Risk
Autumn 1.1	Looking After Our Environment	Feelings	Relationships	What Makes Me Special What I Am Proud Of	Being Special And Unique Respecting Others And The World Around Us.	Values	Being Special Differences Living Together
Autumn 1.2	Relationships	Safety	Feelings	Positive And Negative Feelings My Values Values Of Others	Dealing With Fears/ Dangers	Groups And Gangs Bullying Negative Behaviours	Our And Others Values Safety
Spring 2.1	Keeping Safe (Stranger Danger)	My Relationships	Safety	Choices Rights And Responsibilities	Respect And Values Choices The Community	Weapons The Value Of Life The Law	Risks And Early Warning Signs How The Body Works And Risks To The Body Including Alcohol And Drugs

Appendix B

The following areas of the curriculum are delivered and supported through Whole School Assemblies:

- Music and Culture
- Celebrations
- Rights and Responsibilities
- Wonders of our world
- Keeping Safe - Holidays, Sun protection, Fireworks, Road safety, Hobbies
- Our responsibilities
- Community
- Families
- Sport and Healthy Living
- Economics and Careers
- Recycling
- Respect and Tolerance
- British Values and preparation for life in Modern Britain
- E-Safety
- Moving On / Transitions
- Cultural Capital
- Curriculum topics - Maths Week, World Book day etc
- Celebration of achievement
- Responding to topical/current affairs

See termly Assembly Planner below - these can be adjusted in response to current affairs etc

Autumn Term 2024 - Assembly Planner

Date of Assembly:	Focus:	Who?
Tuesday 3 rd September	Welcome Back!	SP
Friday 6 th September	Celebration Assembly - Excellent work inc Team Work	AH
Monday 9 th September	Pupil Parliament 'Re-Shuffle'	MW
Friday 13 th September	Celebration assembly	EV
Monday 16 th September	Money Monday Launch	Curriculum Team
Friday 20 th September	Foodbank Friday Assembly	SP
Monday 23 rd September	Autumn and Harvest	
Friday 27 th September	Celebration Assembly - Food Bank follow up Start of Black History Month Hello Yellow - Mental Health Awareness	AH
Monday 30 th September	Art Week Launch - History of Art	SA
Friday 4 th October	Celebration Assembly	EV
Monday 7 th October	Black History Month	SP
Friday 11 th October	Celebration Assembly inc Sulwe - Black History Month follow up	SP
Monday 14 th October	PSHE - protected Characteristics	SA and LF
Friday 18 th October	Celebration Assembly inc importance of good attendance	HS
Monday 21 st October	Bonfire Night and Firework Safety	SP
Friday 25 th October	Celebration Assembly	AH
Monday 4 th November	Poppy Day	SP
Friday 8 th November	Celebration Assembly - celebration of excellent work and attitude/kindness	AH
Monday 11 th November	Behaviour Awards Anti bullying week	AH
Friday 15 th November	Celebration Assembly inc Children in Need and Anti Bullying week in school	SB
Monday 18 th November	Influential People in STEM	MW
Friday 22 nd November	Celebration Assembly	EV
Monday 25 th November	INSET DAY	-
Friday 29 th November	Advent Celebration Assembly inc ELF on Shelf Launch	SP
Monday 2 nd December	INSET day	-
Friday 6 th December	Celebration Assembly	AH
Monday 9 th December	The real meaning of Christmas - the story of the first Christmas and Nativity	SP
Friday 13 th December	No Assembly	-
Monday 18 th December	Attendance Assemblies	SP/AH

Protected Characteristics

Promoting the Protected Characteristics at Wren's Nest Primary School

We work to ensure that our children understand that:

There are no outsiders at Wren's Nest

Everyone is different

We celebrate our differences

We are all equal in our differences

The Equality Act became law in 2010. It covers everyone in Britain and protects people from discrimination, harassment and victimisation. Everyone in Britain is protected. This is because the Equality Act protects people against discrimination because the protected characteristics that we all have. Under the Equality Act, there are nine Protected Characteristics:

- Age
- Disability
- Gender reassignment
- Race
- Religion or belief
- Marriage or civil partnership
- Sex
- Sexual orientation
- Pregnancy and maternity

Protected Characteristics

These books are read to the children over the course of the year to encourage positive and guided discussion of the protected characteristics. At Wren's Nest Primary School, we strive to create an environment where children can share their opinions and ask questions.

Reception					
Learning Intention	To see what I look like.	To understand that it's OK to be different things.	To make friends with someone different.	To understand that all families are different.	To celebrate my family.
Year 1					
Learning Intention	To like the way I am.	To play with boys and girls.	To recognise that people are different ages.	To understand our bodies work in different ways.	To understand that we share the world with lots of people.
Year 2					
Learning Intention	To understand what diversity is.	To understand how we share the world.	To understand what makes someone feel proud.	To feel proud of being different.	To be able to work with everyone in my class.
Year 3					
Learning Intention	To understand how difference can affect someone.	To understand what 'discrimination' means.	To find a solution to a problem.	Use strategies to help someone who helps different.	To be welcoming.
Year 4					
Learning Intention	To know when to be assertive.	To understand why people choose to get married.	To overcome language as a barrier.	To ask questions.	To be who you want to be.
Year 5					
Learning Intention	To learn from our past.	To justify my actions.	To recognise when someone needs help.	To appreciate artistic freedom.	To accept people who are different from me.
Year 6					
Learning Intention	To promote diversity.	To stand up to discrimination.	To challenge causes of racism.	To consider how my life may change as I grow up.	To recognise my freedoms.
