Wren's Nest Primary School

Partnership with Parents and Families Policy

September 2023

At Wren's Nest Primary School we value all parents and families and believe that we will achieve more by working together. We want to develop a close relationship with parents which supports and encourages all children to achieve their best. We can do this by working and talking together to nurture the children to develop trust, respect, confidence, independence, self-esteem and the desire to learn.

The Aims of our Parent and Families Partnership Policy:

- To communicate fully with parents and families to ensure that we all (parents, children, staff) have the same purpose in mind - the needs, development, and progress of the children.
- To involve parents and families fully in school life and the school community and their children's learning.
- To operate an 'Open Door' Policy that encourages the fullest possible two-way communication between staff and parents.
- To work in close co-operation with parents and families in order to ensure high standards of care and academic achievement for all of our children.
- To provide an environment inclusive for all parents, families and their children, regardless of need, background or culture.
- To encourage and help parents and families to continue their own learning journey.

A welcoming and friendly environment for parents, families and visitors:

Parents and families are welcomed into school at mutually convenient times to learn more about their child's progress and to celebrate their successes. There are numerous opportunities throughout the year (both formal and informal) to meet together and develop positive relationships.

Formal – these can include:

- Induction events for parents of children starting their school life at Wren's Nest.
- Parents meetings each term to provide parents with up-to-date information on their children's progress and set targets.
- Curriculum workshops for parents and children - Phonics, Maths
- Meetings to discuss evaluate and update Individual Education Plans for children with special educational needs.
- Individual meetings with a range of staff e.g. Learning Mentors, Deputy Headteacher, Class Teacher as appropriate to provide support and address any areas of concern,
- INSPIRE sessions for each year group where parents are invited to join their children in the classroom to see the school and their child at work.
- Meetings with professionals - both internal and external

Communication with parents, families and the wider community

We are continually updating and improving our communication systems. Currently, parents receive regular updates from the school including:

- Regular newsletters, information letters and videos to the community.
- Curriculum newsletters.
- Termly parents' evenings.
- Weekly videos from headteacher
- Annual Progress Reports in June - followed by a parents' evening.
- Termly reports on children's individual attendance
- Regularly updates on the school website
- Parent Hub

Opportunities and support for parents, families and the wider community

Our school seeks to ensure all groups of parents/carers connected with the school are aware of training and enrichment opportunities available in the school and in the community, by:

- Offering a range of adult education courses in the school adult training room.
- Signposting parents to adult learning courses in other venues, e.g. Dudley College.

- Offering work placements in school.
- Offering Family Learning courses.
- Help with gaining employment - Job club - CV writing, application forms etc.
- Offering leaflets and guidance on specific areas of the curriculum, e.g. phonics and maths, to enable parents to support children at home.
- Developing opportunities for parents of children with special educational needs to meet to share experiences and learn more about available support.
- Supporting and signposting access to other agencies.
- Family support workers available to provide help and support to families.
- Triple P parenting programme held termly in school.
- Supporting attendance.
- Counselling services provided in school
- Mental Health workshops

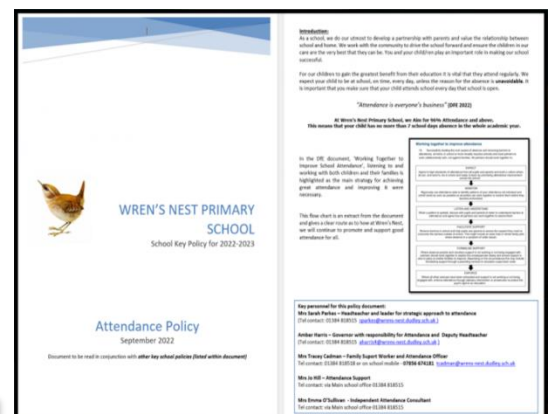

We also seek to support those parents and families who would like their child to benefit from activities held outside school hours, for example:

- Early birds Breakfast club
- After-school clubs (e.g. art and craft, running, dance, board games and Lego - see full offer)
- Group tuition including the Nation Tutoring Programme

Policies

We seek to ensure that all relevant school policies are effective and easy to read by parents. Key policies are available on our website and we are able to support parents, by providing hard copies of policies on request and discussing policies with parents if they would like further information. We also offer some summary policies for parents where the full policy is long and may be less accessible, e.g. attendance policy, behaviour policy.

As a school, we are committed to the highest possible level of partnership with parents and families, and are always open to new suggestions on how we can improve.

Our families are an integral part to the school and we value their contributions to their child's education. Appointments are not necessary at Wren's Nest - the door is always open. We are proud to serve our local community and will continue to strive for the best possible relationships with all stakeholders.

Monitoring information:

The policy will be promoted and implemented throughout the school by all staff. The school will review this policy through the Curriculum and Standards committee annually and assess its implementation and effectiveness.
