

# WREN'S NEST PRIMARY SCHOOL

## WHAT ARE WE DOING IN PRE-SCHOOL THIS WEEK?

• Reminding ourselves of the rules and routines for the Foundation Stage

• Mark-making and continuing to practise how to write our name using a range of mark-making tools. **Can we practise writing our names at home and bring in our hard work to show our friends?**

• In Number we are continuing to explore numbers to 10 in our number groups. **Let's practise identifying numbers 0-10 and counting out sets of numbers up to 10.**

0 1 2 3 4 5  
6 7 8 9 10

We are learning about growing again this week and what a plant needs to grow. We will be reading Jaspers Beanstalk to help us understand what is needed to help a plant to grow and also linking to our days of the week. **Can you look for the signs of spring growing when you're outside and talk about what the plant needed to grow?**

### **Pre-School's Vocabulary of the Week**

Spring, growing, bean, water, soil, food, growth, tall, beanstalk, Monday, Tuesday, Wednesday, Thursday and Friday. Number, order, more, less, smallest, largest

Don't forget to fill in a **"WOW!" slip** from the **'Wrenna News Board'** to share your child's achievements at home with us. No matter how big or small, your child's achievements are something to celebrate in Pre-School!
