

WREN'S NEST PRIMARY SCHOOL

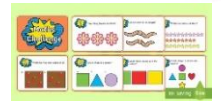

WHAT ARE WE DOING IN PRE-SCHOOL THIS WEEK?

-Reminding ourselves of the rules and routines for the Foundation Stage. We are exploring rhyme, initial sounds and blending. Some of us will be learning new sounds.

Can we tell you what we have been doing in Phonics?

-Mark-making and continuing to practise how to write our name using a range of mark-making tools. **Can we practise writing our names at home and bring in our name writing for a special reward?**

-In Number this week, we are continuing to explore numbers to 10. We will be solving mathematical problems using our knowledge of numbers to 10. **Can you solve mathematical problems such as, "I have 3 pens and pick up one more? How many do I have now?"**

-On **Thursday 26th May** we are going on a Spring visit to Baggeridge Park with all our friends. We will be leaving promptly at **9am** and will need to be dressed appropriately for the weather and with sensible shoes on to explore and play. Sun hats may be needed or wellies and rain macs, this is weather dependent. Hopefully the sun shines for us! We return to school for **11.45am**.

-On **Friday 27th May** it's our Jubilee Party! We are celebrating The Queen being on the throne for 70 years! We have lots of fun planned and will be having party foods and games. Remember to wear **red**, **white** or **blue**!

Pre-School's Vocabulary of the Week

The Queen, Jubilee, monarch, Royal Family, Her Majesty, party, numbers, more, less, problem, solve, rhyme, initial sounds, blending, Fred Frog, phoneme

Don't forget to fill in a **"WOW!" slip** from the **'Wrenna News Board'** to share your child's achievements at home with us. No matter how big or small, your child's achievements are something to celebrate in Pre-School!
