

# WREN'S NEST PRIMARY SCHOOL

## WHAT ARE WE DOING IN PRE-SCHOOL THIS WEEK?

• Reminding ourselves of the rules and routines for the Foundation Stage 

• Mark-making and continuing to practise how to write our name using a range of mark-making tools. **Can we practise writing our names at home?** 

• In Maths we are exploring numbers to 10, starting to remember facts such as 'one more' and 'one less', doubles, numbers pairs that make a set number and ordering numbers 0-10. We will be assessing the children to see how they are doing with their learning this week. **Let's practise identifying numbers 0-10 and counting out sets of numbers to 10.**

• We are learning all about Easter this week. We will be eating some Hot Cross Buns to help us remember the symbol of the cross and why it is important to Christians at Easter time. We will be taking part in an Easter egg hunt as we practise our counting to find out who has more and who has less. We will be ending our week by making chocolate cornflake Easter nest cakes and enjoying Easter stories. 

• Remembering our new season of Spring! **Can you look for signs of Spring when you are out and about?**
