

What do you enjoy most about your R.E. Lessons?

I like learning about different festivals like Diwali. They celebrate with candles.

Alfie - Y2

Leslie - Y4

I like it that we learn about different religions.

I like learning about how different people follow their religion and follow their God.

Lamarie - Y6

I like it that we learn about all religions.

We are learning about Sikhism.

I like it how we learn to appreciate other peoples religions and how they live their lives.

It helps me appreciate what I believe.

Paige - Y5

Describe your favourite
R.E. Lesson?

I loved learning about
Diwali. It is a Hindu festival.
I learned that people buy new
clothes for the parties.

Alfie - Y2

Leslie - Y4

I liked it when we learned about
promises.

I like learning why people make
promises and why they break
them sometimes.

Lamarie - Y6

I really liked
it in Year 3,
when we
were learning
about
Sikhism. We
went to the
place where
Sikh people
can eat
together -
the
Gurdwara.

I would have
to say the
lesson on The
5 Pillars of
Islam.

There is a
saying,
"No one's had
too much until
everyone has
enough."

I like that
saying. It's
important.

Paige - Y5

How do you think R.E.
lessons could be improved
at
Wren's Nest Primary School?

Nothing! I like them. They
are fun and I learn new
things.

Alfie - Y2

Leslie - Y4

Maybe we could use the laptops
even more to do our own
research about different
religions.

Lamarie - Y6

You could buy
more books
about different
religions so we
can read them
in class
sometimes.

We have some,
but you could
buy a few
more.

I don't think
they can be
you know!

Paige - Y5
