WHAT ARE WE DOING IN RECEPTION THIS WEEK?

- Continuing to explore the season of Spring, looking closely at the changes it brings. We are looking at changes in the **weather, temperature** and changes in **trees and plants** outside. **What changes can you see on your way to school?**

- Exploring the Christian celebration of Easter, finding out about the different customs and traditions Christian people have during this special time. **Ask us about what we have learnt!**

Don't' forget!

We break up for the Easter holidays on Friday 8th April. Children will return to school on Monday 25th April.

Don't forget to fill in a **"WOW!" slip** from the **'Wrenna News Board'** to share your child's achievements at home. No matter how big or small, your child's achievements are something to celebrate in Reception!
