## WHAT ARE WE DOING IN RECEPTION THIS WEEK?

- Continuing to look closely at the changes autumn brings. We are looking at changes in the weather, temperature and changes in trees and plants outside.

- Continuing to explore Diwali, "the festival of light." We are finding out about why Diwali is celebrated and the many different things people across the world do to celebrate this special time.

**DIWALI**

- Exploring 'Remembrance day' to find out what people all over the world remember on this special day and why we see lots of poppies.

Don't forget to fill in a **"WOW!" slip** from the **'Wrenna News Board'** to share your child's achievements at home. No matter how big or small, your child's achievements are something to celebrate in Reception!
