Dear Parents and Families,

Please find attached some information regarding changes to our intended plans for school drop off and collection times, as well as the reintroduction our Breakfast Club Provision. (the full information video can be seen on our Website)

This is following discussion with both our Governors and the Local Authority today regarding their concern following the steep rise in COVID cases within the local community. As a school, we were praised for keeping school community COVID-secure during our return to school and both parties believe the success is due to the preventative safety measures we have continued to keep in place.

This will of course be reviewed; I will give you an update in due course. I am regretful that I have to write to you with this news, but as you know, keeping your children, our school community and staff healthy and safe as this, as you already know, is a very important to me. I do really appreciate your on-going support with this and thank you for supporting me in the additional weeks of safety measures that will remain in place.

As always, any questions or worries, please don't hesitate to contact us.

Many thanks,

Mrs Sarah Parkes - Headteacher

## An update on Breakfast Club

IMPORTANT  
ANNOUNCEMENT

At this time and after great consideration and discussion with the Governing Body, due to our remaining **concern regarding the steep rise in COVID 19 cases**, we as a school **are not** re-introducing our Breakfast Club or After School Club provisions as planned on 4<sup>th</sup> October 2021. This decision is supported by Dudley Local Authority.

However, we are continuing to supply **free** breakfast to **ALL** children at Wren's Nest. This means each child is accessing Breakfast Club provision, just in a different way.

A huge thank you to Magic Breakfast for helping us in providing such an important meal of the day for all of our children!

The decision not to provide Breakfast Club and After School Club provision is so that the children's time remains prioritised for them to have a great day of education, as we continue to keep close contact time with each other to the necessary minimum.

**Attending school every day is a necessity for us at Wren's Nest.**

Thank you for your understanding and support at this time. This will continue to be under review with myself as Headteacher and the Governing Body.

I will, of course, keep you updated if there are to be any changes.

**I really do hope this provision can return after October half term 2021.**

## An update on After School Clubs

After School Clubs will **hopefully** restart after October half term 2021.

This will be revised inline with our start and finish times, as well as our Early Birds Breakfast Club provision.

We are currently in the process of reviewing our After School Club provision, offering the maximum amount of clubs to our children and capturing their real interests.

The plan remains for you as parents and families is to be notified of the range of clubs on offer during the first half of the Autumn term so that places are allocated to children for clubs of their choice **should** they be able to start after October half term 2021.
