skills

Wren's Nest Primary School's

Science Vision & Principles

"I LIKE IT WHEN WE DO
PRACTICAL EXPERIMENTS AND
GET TO FIND OUT NEW THINGS" -
YEAR 3 CHILD

Promotes
STEM
careers

"I enjoyed working
with the Biomedical
Scientist who did fun
experiments with us!"
- Year 2 child

Our Vision for Science at
Wren's Nest Primary School
is to encourage curiosity in
children, so that they can ask
questions that fuel
explorations and
investigations about the
universe we live in.

Practical
and
engaging

We are Scientists

We are trying to find out
why and how things work.

We are
experimenting.
