

What do you enjoy most
about your
Spelling Lessons?

I like how we learn lots of
rules so when we are
writing we feel more
confident with our
spelling.

Riah - Y3

I like
being able
to work
with
partners
because
we can
help each
other.

Ethan - Y6

I enjoy
moving up
units to
find out
the new
spelling
rules!

Nicole - Y5

I like that we learn new words so
we improve our vocabulary as well
as our spelling and we become
more confident with how to spell
words

Leecey - Y4

Describe your favourite Spelling Lesson?

I really enjoy the 'Team Teaching' session and '4 in a row' as we can learn new words with our friends.

Riah - Y3

I enjoy the dictation as I like to practise my handwriting and sentences too.

Ethan - Y6

I enjoy 'word changers.' I really like seeing how the root word changes.

Nicole - Y5

I like the spelling assessments most because it tells us how to use the words in sentences and we can see how much we have improved.

Leecey - Y4

How do you think Spelling lessons could be improved
at
Wren's Nest Primary School?

I think we could take some of the spellings or rules home to practise more.

Riah - Y3

Ethan - Y6

Nicole - Y5

There is not a lot I can think of but perhaps children who are struggling a bit more could have some extra practise outside of the main lessons to work on rules and write out different spellings.

I think we could improve by doing more 'dots and dashes' type activities as these help me with my spelling.

Everything is fine in spelling lessons. I don't know what could possibly change!

Leecey - Y4
