

### Keeping children safe on the internet

Lots of Children are finding entertainment on this site but we need to be mindful they are staying safe.

If your settings are Public that means anyone can access them. Please check your children's settings and keep them safe.

- Tap on the profile icon in bottom right of screen
- Tap on the 3dots icon in top right hand corner
- Tap on Privacy + Settings
- Turn your private account on. Configure who can send me comments, who can duet with me and who can send me messages

**Keep them safe on line.**
