Year 6 - Curriculum Flyer

Make sure to sign up to ParentHub

Literacy

Children will focus on recounts and story writing, including historical, biographical and news reports, choosing powerful vocabulary and a range of punctuation to enhance their writing. The children will read a variety of stories and practise inference and deduction skills.

Numeracy

Children will be practising place value (including negative numbers in context) and the four rules of number and apply these to problem solving. There will also be a focus on fractions as well as looking at position and direction.

Science

- * Evolution and inheritance
- * Adaptation and classification

ICT : computing

- * Using coding software in Purple Mash to debug programs and use algorithms.
- * Learning about internet safety and staying safe online.

RE

- * Christmas traditions
- * Different religious beliefs

Autumn Term
2022-2023

Art

- * Closely linked to our history topic where the children will recreate artwork from another culture.

D&T

- * 3D models from Ancient Greek history.

PSHE

- * The value of life.
- * The role of the emergency services.

History and Geography

- * To understand where we are in relation to the UK and make comparisons with modern and historic cultures. They will learn about the Ancient Greek Empire and life in ancient times.
- * Children will look at how architecture has been influenced by the Ancient Greeks.

Music

- * Children will explore seasonal hymns.

PE

- * The children will be taking part in invasion games such as rugby and basketball as well as practising their gymnastic skills.

Homework

Please help your child with reading and completing their homework. Help your child learn, through talking and sharing their experiences!
